

# ARA Diagnostic Imaging

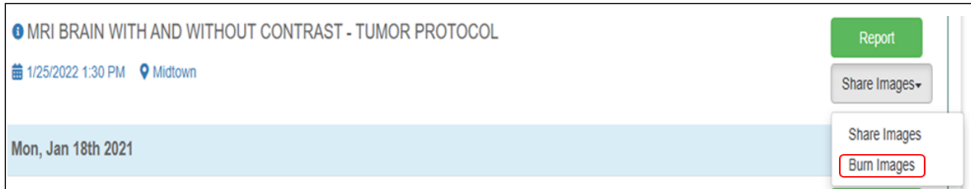

## Instructions for Viewing and Sharing Images

(Image viewing supported for PC only.)

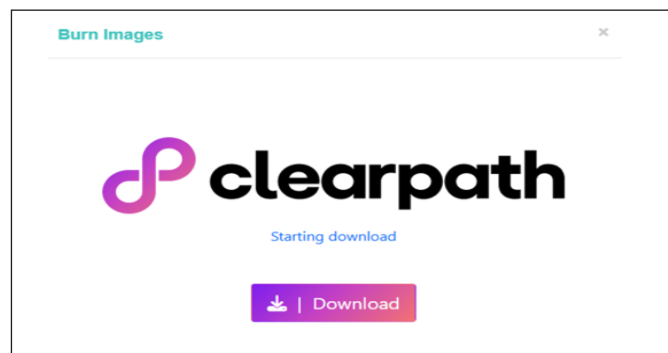

### Step 1: Find your exam and choose to share or view/burn

- Log into the portal. Scroll to find your exam.
- Click 'Share Images' if you want to share electronically.
- Click 'Burn Images' to download for viewing or burning to a CD.

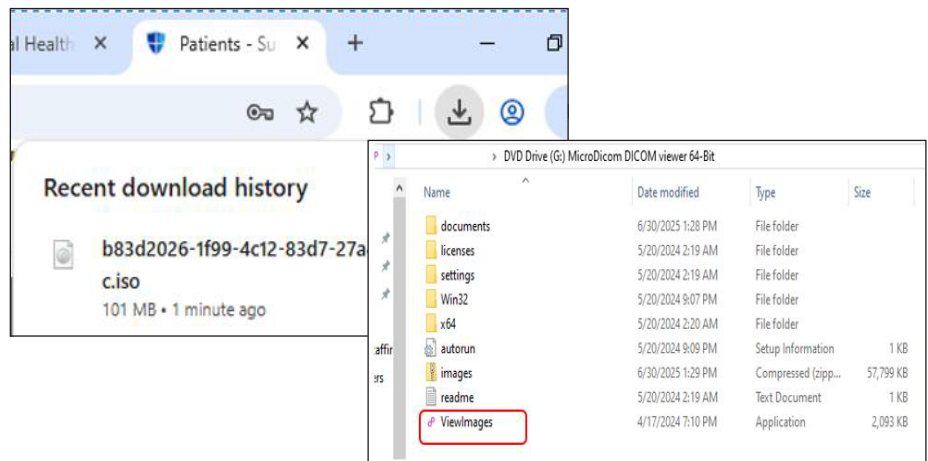

### Step 2: Download your images

- A Clearpath window will pop up.
- Click 'Download' and wait for the download to finish.

### Step 3: Open your download

- Find the downloaded file.
- Click 'ViewImages' to open it.

### Step 4: View your images

- Your images will open in the viewer.
