

BECOME AN ARA VOLUNTEER GREETER

ARA is currently seeking Volunteer Greeters to join our team! Volunteers are needed at many of our locations, including Children's Imaging Center, Midtown, Southwood, William Cannon, and our Women's Imaging Center.

When volunteering at ARA, you become an important part of a premier organization dedicated to providing the highest quality radiological services for referring physicians and patients in Central Texas. Our continued success depends on your contributions and your service to our patients, to each other, and to the community around us.

College students and teenagers are also encouraged to apply as ARA Volunteers.

Our Greeters perform the following functions:

- Greet patients as they walk in the door, making them feel welcomed to ARA
- Make coffee for lobby and waiting areas, and re-stock coffee area
- Assist patients in waiting areas
- Answer questions about exams and getting exam results
- Stock gowns, pants and socks in changing areas
- Direct patients to other medical offices and facilities as requested
- Walk patients to restrooms and diaper-changing areas

If you are courteous, organized, and enjoy serving others, we may have the volunteer opportunity you are seeking.

Interested candidates should contact Melissa Rieger, ARA Recruiter at (512)795-5100 x5690 or email at riegerm@ausrad.com.
